This year, we are asking for anyone and everyone that can, please come and join us for another great time of fellowship and light refreshments. What has happened is unbelievable, yet really is what many are facing.

Our goal is to give the needs of several organizations. Last year, everyone of you were generous and helped us to make the holidays a bit more joyful for them and the people they serve.

Please feel free to call us if you have an idea to help make this a better year for those that have a difficult time to make ends meet let alone think of what they can do for their families during the holiday season.

If you don't have time to join us in our home, we will have our helpers outside to collect and wish you a very Merry Christmas.

On the reverse side is a list of items needed.
